

# BEZANSON BOG BLOCKBUSTER 2024

With the “Townsite” showing off its spectacular fall colours, the 2<sup>nd</sup> Bezanson Bog initiated by the Bezanson Recreational Society took place on Saturday, September 28<sup>th</sup> 2024. Approximately 140 participants lined up to test their endurance. With the enthusiasm demonstrated by the younger athletes, the adults soon joined in and couldn’t wait for their turn.

There were many door prizes to be given out along with swag and bear bells provided by the

County. The medals were made by “Crafty Things” and medal cookies by Mijeen Naude for each finisher.

Wade Doris emceed the event and after a 10 minute warm-up, the kids were off & followed Taylor Laverick’s lead around the trail. Kids - 1km, 3k and 5 km trails were running with the adults 5 km being a walk or run and a 10k run.

The “Townsite” has come to life again as the County accomplished a considerable amount of work on site over the past three years. The signage, directional as well as historical, has added to the “interest factor” of the Townsite and I’m sure, will draw many campers to the area.

There was even a little “buffalo” who showed up!

Thank you to the Bezanson Recreational Society and all their sponsors along with all the volunteers for an incredible event. We are all looking forward to the Bezanson Bog 2025.
