

2026 BEZANSON BOG

A large crowd did not let the chilly, rainy day deter them from attending the 2026 Bezanson Bog. Members of the Rec Society did an exemplary job of setting up the course and facilitating the event which included Kids Category of 1k, 3k, 5k run and Adult Categories of 5k run or walk & 10 k run.

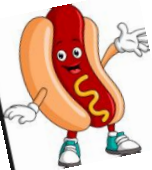

"BOGGY" the dinosaur ensured all the participants were warmed up and ready for the run.

Team Warkentin, Elevation Dogs and the County of GP were proud sponsors of the annual event.

Although "Doran's Restaurant" was not open, Bonnie LaValley fired up the grill & cooked hotdogs for everyone to enjoy.
